SOFT SKILLS

- Agility & Adaptability
- Team Spirit
- Organization & Time Management
- Rigorous Attention to Detail
- Discretion & Confidentiality

LANGUAGES

- **French - Arabic:** Bilingual
- **English:** Fluent / Professional

HARD SKILLS

- **Languages:** Python, SQL, NoSQL, R, VBA, HTML/CSS, JS, Regex
- **ETL:** Talend, Apache Hop, Pandas, NumPy
- **Scraping:** Playwright, Selenium, BeautifulSoup
- **BI:** Power BI (DAX), Tableau, Dash, RShiny
- **AI:** LLM, RAG, Ollama, NLP, Scikit-learn, PyTorch
- **Tools:** Jupyter, Git, Docker, VSCODE, Linux (WSL)
- **Regulatory:** GDPR Compliance
- **Design:** Adobe Suite (UX/UI), Microsoft Office Suite

PROJECTS

Sentiment Analysis & NLP (Deep Learning) — GitHub

- Processed large-scale customer review datasets (Kaggle) for rating prediction (0 to 5).
- Implemented text vectorization using BERT language model (Embeddings).
- Designed, trained, and optimized a Multi-Layer Perceptron (MLP) neural network.
- Performed PCA (Principal Component Analysis) to visualize high-dimensional BERT embeddings and identify data clusters.

Data Engineering Project – Professional Football Club (Ligue 1) — GitHub

- Designed an ELT pipeline (APIs/Scraping) using a containerized DuckDB database under Docker.
- Developed an entity reconciliation engine and an interactive Dash(python) dashboard.
- Solution validated and successfully implemented by club professionals.

*+ **Additional projects available via the QR code (Online Portfolio).***

EDUCATION

Bachelor University of Technology (BUT) – Data Science
IUT de Metz (2nd Year)

2024-2027

Scientific Baccalaureate – Physics & Chemistry Section
Lycée El Khalid 2, Marrakesh, Morocco

2022 – 2023

WORK EXPERIENCE

Manager – Pizza Hut Montigny-lès-Metz

Oct 2023 – Present

- **Team Leadership:** Managing staff and monitoring performance objectives.
- **Operations:** Solving real-time operational issues and ensuring service quality.
- **Financial Management:** Cash desk management, daily closing, and accounting.
- **Supply Chain:** Inventory forecasting, procurement, and supplier relationship management.

INTERESTS

- Football
- Bodybuilding
- Programming
- AI Research.
